Introduction

The department of Electrical engineering and Institute Innovation Council's (IIC) jointly organized “Project Idea Competition Activity” on February 28th, 2024. This competition activity serves as a dynamic platform to foster creativity, collaboration, and problem-solving among students. Through this initiative, participants are encouraged to ideate, innovate, and implement solutions to real-world challenges, ranging from societal issues to technological advancements.

Prestige Institute Of
Engineering Management
And Research

**PRESTIGE INSTITUTE OF ENGINEERING,
MANAGEMENT AND RESEARCH, INDORE**

and Affiliated by AICTE, New Delhi
(NBA Accredited)

**Institute Innovation Council
&
Department of Electrical Engineering
is Organising**

**“Project Idea Competition”
Session (2023-24)**

Date & Time
28 February 2024
11:30 am to 2:00 pm

Venue- A202

Organizers
Dr. Dipali Sarvate
HOD (EED, PIEMR-Indore)

Dr. Namami Krishna Sharma
(Coordinator)

Dr. Manojkumar Deshpade
Convenor (IIC)
Sr. Director, PIEMR-Indore

This competition cultivates a culture of innovation within the institution, empowering students to apply their theoretical knowledge in practical scenarios. It not only enhances their skills in research, design, and presentation but also instills an entrepreneurial mindset. Ultimately, the project competition activity drives forward-thinking initiatives, propelling the institution towards excellence in innovation and societal impact.

"Third and fourth-year electrical engineering students enthusiastically engaged in this competition, showcasing their innovative ideas before an esteemed evaluation committee comprised of the Head of the Department, esteemed faculty members from the electrical engineering department, and an expert from another discipline."

Prestige Institute of Engineering Management & Research, Indore
(Approved by AICTE New Delhi, DTE Govt. of M.P. Bhopal & Affiliated to RGPV, Bhopal MP)

Department of Electrical Engineering
NOTICE

All the students of final year and third year (B. Tech.) Electrical are hereby informed that their **internal major/minor project competition** is scheduled as follows:

Sr. No.	Day & Date	Time	Group No.
1	Thursday-28 th February 2024	11:00 am	All groups

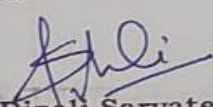

On the same day all the students are directed to submit their first Synopsis report duly forwarded by respective project guide, along with the presentation.

Presentation Contents:

1. Title
2. Content
3. Introduction
4. Problem statement
5. Objectives
6. Methodology/Block Diagram
7. Working
8. Results
9. Advantages
10. Applications
11. References

*NOTE: Dr. Namami Sharma Coordinator for the event.

Hardware / Simulation
also to be shown.

Dr. Dipali Sarvate
(HOD)

Acknowledgement

We extend our heartfelt gratitude to the esteemed Sr. Director of (PIEMR, Indore) for their invaluable support and guidance in organizing the Project Idea Competition activity within our department. Their unwavering commitment to fostering academic excellence and providing opportunities for student innovation has been instrumental in the success of this endeavor.

Furthermore, we deeply appreciate the Director's personal presence during the program, which not only underscored the significance of the event but also served as a source of inspiration for all participants. Their encouragement and involvement have greatly enriched the experience for both students and faculty alike.

Once again, we express our sincere appreciation to the Sr. Director for their leadership and dedication to the advancement of our academic initiatives.

Faculties and staff of department of Electrical engineering

(PIEMR, Indore)

Inter departmental Expert

We express gratitude to Dr. Vikas Sisodia, Associate Professor in the Department of ARE (PIEMR) for graciously serving as an external expert for the project competition activity. His invaluable contributions and insightful feedback on each project idea have been instrumental in enhancing the quality and scope of the competition.
